(iii) the license must be suspended or revoked.

(5) (a) A licensing board or the department may adopt rules concerning what conditions may be attached to a reservist's professional license pursuant to subsection (4)(c)(ii).

(b) If conditions are attached pursuant to subsection (4)(c)(ii) or the license is suspended or revoked pursuant to subsection (4)(c)(iii), the affected reservist may, within 90 days of the decision to take the action, request a hearing by writing a letter to the board or department. The board or department shall conduct a requested hearing within 30 days of receiving the written request.

**History: En. Sec. 2, Ch. 271, L. 2003.**

**37-1-139 and 37-1-140 reserved.**

**37-1-141. License renewal -- lapse -- expiration -- termination.** (1) The renewal date for a license must be set by department rule. The department shall provide notice prior to the renewal date.

(2) To renew a license, a licensee shall submit a completed renewal form, comply with all certification and continuing education requirements, and remit renewal fees before the end of the renewal period.

(3) A licensee may reactivate a lapsed license within 45 days after the renewal date by following the process in subsection (5) and complying with all certification and educational requirements.

(4) A licensee may reactivate an expired license within 2 years after the renewal date by following the process in subsection (5) and complying with all certification and education requirements that have accrued since the license was last granted or renewed as prescribed by board or department rule.

(5) To reactivate a lapsed license or an expired license, in addition to the respective requirements in subsections (3) and (4), a licensee shall:

(a) submit the completed renewal form;

(b) pay the late penalty fee provided for in subsection (7); and

(c) pay the current renewal fee as prescribed by the department or the board.

(6) (a) A licensee who practices with a lapsed license is not considered to be practicing without a license.

(b) A licensee who practices after a license has expired is considered to be practicing without a license.

(7) The department may assess a late penalty fee for each renewal period in which a license is not renewed. The late penalty fee need not be commensurate with the costs of assessing the fee.

(8) Unless otherwise provided by statute or rule, an occupational or professional license that is not renewed within 2 years of the most recent renewal date automatically terminates. The terminated license may not be reactivated, and a new original license must be obtained.

(9) The department or board responsible for licensing a licensee retains jurisdiction for disciplinary purposes over the licensee for a period of 2 years after the date on which the license lapsed.

(10) This section may not be interpreted to conflict with 37-1-138.

**37-1-201. Purpose.** It is the public policy of the legislature of the state of Montana to encourage and contribute to the rehabilitation of criminal offenders and to assist them in the assumption of the responsibilities of citizenship. The legislature finds that the public is best protected when such offenders are given the opportunity to secure employment or to engage in a meaningful occupation, while licensure must be conferred with prudence to protect the interests of the public.

**History:** En. 66-4001 by Sec. 1, Ch. 490, L. 1975; R.C.M. 1947, 66-4001.

**37-1-202. Intent and policy.** It is the intent of the legislature and the declared policy of the state that occupational licensure be granted or revoked as a police power of the state in its protection of the public health, safety, and welfare.

**History:** En. 66-4002 by Sec. 2, Ch. 490, L. 1975; R.C.M. 1947, 66-4002.

**37-1-203. Conviction not a sole basis for denial.** Criminal convictions shall not operate as an automatic bar to being licensed to enter any occupation in the state of Montana. No licensing authority shall refuse to license a person solely on the basis of a previous criminal conviction; provided, however, where a license applicant has been convicted of a criminal offense and such criminal offense relates to the public health, welfare, and safety as it applies to the occupation for which the license is sought, the licensing agency may, after investigation, find that the applicant so convicted has not been sufficiently rehabilitated as to warrant the public trust and deny the issuance of a license.

### **Part 3**

#### **Uniform Professional Licensing and Regulation Procedures**

**37-1-301. Purpose.** The purpose of this part is to establish uniform guidelines for the licensing and regulation of professions and occupations under the jurisdiction of professional and occupational licensing boards governed by this part.

**History:** En. Sec. 1, Ch. 429, L. 1995.

**37-1-302. Definitions.** As used in this part, the following definitions apply:

(1) "Board" means a licensing board created under Title 2, chapter 15, that regulates a profession or occupation and that is administratively attached to the department as provided in 2-15-121.

(2) "Complaint" means a written allegation filed with a board that, if true, warrants an injunction, disciplinary action against a licensee, or denial of an application submitted by a license applicant.

(3) "Department" means the department of labor and industry.

(4) "Inspection" means the periodic examination of premises, equipment, or procedures or of a practitioner by the department to determine whether the practitioner's profession or occupation is being conducted in a manner consistent with the public health, safety, and welfare.

(5) "Investigation" means the inquiry, analysis, audit, or other pursuit of information by the department, with respect to a written complaint or other information before a board, that is carried out for the purpose of determining:

(a) whether a person has violated a provision of law justifying discipline against the person;

- (b) the status of compliance with a stipulation or order of the board;
- (c) whether a license should be granted, denied, or conditionally issued; or
- (d) whether a board should seek an injunction.
- (6) "License" means permission granted under a chapter of this title to engage in or practice at a specific level in a profession or occupation.
- (7) "Profession" or "occupation" means a profession or occupation regulated by a board.

**History:** En. Sec. 2, Ch. 429, L. 1995; amd. Sec. 110, Ch. 483, L. 2001; amd. Sec. 14, Ch. 467, L. 2005.

**37-1-303. Scope.** This part governs the licensure, the practice and unauthorized practice, and the discipline of professions and occupations governed by this title unless otherwise provided by statutes relating to a specific board and the profession or occupation it regulates. The provisions of this chapter must be construed to supplement the statutes relating to a specific board and the profession it regulates. The method for initiating and judging a disciplinary proceeding, specified in 37-1-307(1)(e), must be used by a board in all disciplinary proceedings involving licensed professionals.

**History:** En. Sec. 3, Ch. 429, L. 1995.

**37-1-304. Licensure of out-of-state applicants -- reciprocity.** (1) A board may issue a license to practice without examination to a person licensed in another state if the board determines that:

(a) the other state's license standards at the time of application to this state are substantially equivalent to or greater than the standards in this state; and

(b) there is no reason to deny the license under the laws of this state governing the profession or occupation.

(2) The license may not be issued until the board receives verification from the state or states in which the person is licensed that the person is currently licensed and is not subject to pending charges or final disciplinary action for unprofessional conduct or impairment.

(3) This section does not prevent a board from entering into a reciprocity agreement with the licensing authority of another state or jurisdiction. The agreement may not permit out-of-state licensees to obtain a license by reciprocity within this state if the license applicant has not met standards that are substantially equivalent to or greater than the standards required in this state as determined by the board on a case-by-case basis.

**History:** En. Sec. 4, Ch. 429, L. 1995; amd. Sec. 1, Ch. 210, L. 1997.

**37-1-305. Temporary practice permits.** (1) A board may issue a temporary practice permit to a person licensed in another state that has licensing standards substantially equivalent to those of this state if the board determines that there is no reason to deny the license under the laws of this state governing the profession or occupation. The person may practice under the permit until a license is granted or until a notice of proposal to deny a license is issued. The permit may not be issued until the board receives verification from the state or states in which the person is licensed that the person is currently licensed and is not subject to pending charges or final disciplinary action for unprofessional conduct or impairment.

(2) A board may issue a temporary practice permit to a person seeking licensure in this state who has met all licensure requirements other than passage of the licensing examination. Except as provided in 37-68-311 and 37-69-306, a permit is valid until the person either fails the

first license examination for which the person is eligible following issuance of the permit or passes the examination and is granted a license.

**History:** En. Sec. 5, Ch. 429, L. 1995; amd. Sec. 1, Ch. 203, L. 1999.

**37-1-306. Continuing education.** A board or, for programs without a board, the department may require licensees to participate in flexible, cost-efficient, effective, and geographically accessible continuing education.

**History:** En. Sec. 6, Ch. 429, L. 1995; amd. Sec. 15, Ch. 467, L. 2005.

**37-1-307. Board authority.** (1) A board may:

- (a) hold hearings as provided in this part;
- (b) issue subpoenas requiring the attendance of witnesses or the production of documents and administer oaths in connection with investigations and disciplinary proceedings under this part. Subpoenas must be relevant to the complaint and must be signed by a member of the board. Subpoenas may be enforced as provided in 2-4-104.
- (c) authorize depositions and other discovery procedures under the Montana Rules of Civil Procedure in connection with an investigation, hearing, or proceeding held under this part;
- (d) establish a screening panel to determine whether there is reasonable cause to believe that a licensee has violated a particular statute, rule, or standard justifying disciplinary proceedings. A screening panel shall specify in writing the particular statute, rule, or standard that the panel believes may have been violated. The screening panel shall also state in writing the reasonable grounds that support the panel's finding that a violation may have occurred. The assigned board members may not subsequently participate in a hearing of the case. The final decision on the case must be made by a majority of the board members who did not serve on the screening panel for the case.

(e) grant or deny a license and, upon a finding of unprofessional conduct by an applicant or license holder, impose a sanction provided by this chapter.

(2) Each board is designated as a criminal justice agency within the meaning of 44-5-103 for the purpose of obtaining confidential criminal justice information regarding the board's licensees and license applicants and regarding possible unlicensed practice.

[(3) Each board shall require a license applicant to provide the applicant's social security number as a part of the application. Each board shall keep the social security number from this source confidential, except that a board may provide the number to the department of public health and human services for use in administering Title IV-D of the Social Security Act.]

**History:** En. Sec. 7, Ch. 429, L. 1995; amd. Sec. 22, Ch. 552, L. 1997; amd. Sec. 2, Ch. 230, L. 1999; amd. Sec. 8, Ch. 492, L. 2001; amd. Sec. 16, Ch. 467, L. 2005.

**37-1-308. Unprofessional conduct -- complaint -- investigation -- immunity -- exceptions.** (1) Except as provided in subsections (4) and (5), a person, government, or private entity may submit a written complaint to the department charging a licensee or license applicant with a violation of this part and specifying the grounds for the complaint.

(2) If the department receives a written complaint or otherwise obtains information that a licensee or license applicant may have committed a violation of this part, the department may, with the concurrence of a member of the screening panel established in 37-1-307, investigate to

determine whether there is reasonable cause to believe that the licensee or license applicant has committed the violation.

(3) A person or private entity, but not a government entity, filing a complaint under this section in good faith is immune from suit in a civil action related to the filing or contents of the complaint.

(4) A person under legal custody of a county detention center or incarcerated under legal custody of the department of corrections may not file a complaint under subsection (1) against a licensed or certified provider of health care or rehabilitative services for services that were provided to the person while detained or confined in a county detention center or incarcerated under legal custody of the department of corrections unless the complaint is first reviewed by a correctional health care review team provided for in 37-1-331.

(5) A board member may file a complaint with the board on which the member serves or otherwise act in concert with a complainant in developing, authoring, or initiating a complaint to be filed with the board if the board member determines that there are reasonable grounds to believe that a particular statute, rule, or standard has been violated.

**History:** En. Sec. 8, Ch. 429, L. 1995; amd. Sec. 4, Ch. 475, L. 1997; amd. Sec. 1, Ch. 375, L. 1999; amd. Sec. 9, Ch. 492, L. 2001.

**37-1-309. Notice -- request for hearing.** (1) If a reasonable cause determination is made pursuant to 37-1-307 that a violation of this part has occurred, a notice must be prepared by department legal staff and served on the alleged violator. The notice may be served by certified mail to the current address on file with the board or by other means authorized by the Montana Rules of Civil Procedure. The notice may not allege a violation of a particular statute, rule, or standard unless the board or the board's screening panel, if one has been established, has made a written determination that there are reasonable grounds to believe that the particular statute, rule, or standard has been violated.

(2) A licensee or license applicant shall give the board the licensee's or applicant's current address and any change of address within 30 days of the change.

(3) The notice must state that the licensee or license applicant may request a hearing to contest the charge or charges. A request for a hearing must be in writing and received in the offices of the department within 20 days after the licensee's receipt of the notice. Failure to request a hearing constitutes a default on the charge or charges, and the board may enter a decision on the basis of the facts available to it.

**History:** En. Sec. 9, Ch. 429, L. 1995; amd. Sec. 10, Ch. 492, L. 2001.

**37-1-310. Hearing -- adjudicative procedures.** The procedures in Title 2, chapter 4, governing adjudicative proceedings before agencies; the Montana Rules of Civil Procedure; and the Montana Rules of Evidence govern a hearing under this part. A board has all the powers and duties granted by Title 2, chapter 4.

**History:** En. Sec. 10, Ch. 429, L. 1995.

**37-1-311. Findings of fact -- order -- report.** (1) If the board decides by a preponderance of the evidence, following a hearing or on default, that a violation of this part occurred, the department shall prepare and serve the board's findings of fact and an order as provided in Title 2, chapter 4. If the licensee or license applicant is found not to have violated

this part, the department shall prepare and serve the board's findings of fact and an order of dismissal of the charges.

(2) The department may report the issuance of a notice and final order to:

(a) the person or entity who brought to the department's attention information that resulted in the initiation of the proceeding;

(b) appropriate public and private organizations that serve the profession or occupation; and

(c) the public.

**History: En. Sec. 11, Ch. 429, L. 1995.**

**37-1-312. Sanctions -- stay -- costs -- stipulations.** (1) Upon a decision that a licensee or license applicant has violated this part or is unable to practice with reasonable skill and safety due to a physical or mental condition or upon stipulation of the parties as provided in subsection (3), the board may issue an order providing for one or any combination of the following sanctions:

(a) revocation of the license;

(b) suspension of the license for a fixed or indefinite term;

(c) restriction or limitation of the practice;

(d) satisfactory completion of a specific program of remedial education or treatment;

(e) monitoring of the practice by a supervisor approved by the disciplining authority;

(f) censure or reprimand, either public or private;

(g) compliance with conditions of probation for a designated period of time;

(h) payment of a fine not to exceed \$1,000 for each violation. Fines must be deposited in the state general fund.

(i) denial of a license application;

(j) refund of costs and fees billed to and collected from a consumer.

(2) A sanction may be totally or partly stayed by the board. To determine which sanctions are appropriate, the board shall first consider the sanctions that are necessary to protect or compensate the public. Only after the determination has been made may the board consider and include in the order any requirements designed to rehabilitate the licensee or license applicant.

(3) The licensee or license applicant may enter into a stipulated agreement resolving potential or pending charges that includes one or more of the sanctions in this section. The stipulation is an informal disposition for the purposes of 2-4-603.

(4) A licensee shall surrender a suspended or revoked license to the board within 24 hours after receiving notification of the suspension or revocation by mailing it or delivering it personally to the board.

**History: En. Sec. 12, Ch. 429, L. 1995.**

**37-1-313. Appeal.** A person who is disciplined or denied a license may appeal the decision to the district court as provided in Title 2, chapter 4.

**History: En. Sec. 13, Ch. 429, L. 1995.**

**37-1-314. Reinstatement.** A licensee whose license has been suspended or revoked under this part may petition the board for reinstatement after an interval set by the board in the order. The board may hold a hearing on the petition and may deny the petition or order

reinstatement and impose terms and conditions as provided in 37-1-312. The board may require the successful completion of an examination as a condition of reinstatement and may treat a licensee whose license has been revoked or suspended as a new applicant for purposes of establishing the requisite qualifications of licensure.

**History: En. Sec. 14, Ch. 429, L. 1995.**

**37-1-315. Enforcement of fine.** (1) If payment of a fine is included in an order and timely payment is not made as directed in the order, the board may enforce the order for payment in the district court of the first judicial district.

(2) In a proceeding for enforcement of an order of payment of a fine, the order is conclusive proof of the validity of the order of payment and the terms of payment.

**History: En. Sec. 15, Ch. 429, L. 1995.**

**37-1-316. Unprofessional conduct.** The following is unprofessional conduct for a licensee or license applicant governed by this chapter:

(1) conviction, including conviction following a plea of nolo contendere, of a crime relating to or committed during the course of the person's practice or involving violence, use or sale of drugs, fraud, deceit, or theft, whether or not an appeal is pending;

(2) permitting, aiding, abetting, or conspiring with a person to violate or circumvent a law relating to licensure or certification;

(3) fraud, misrepresentation, deception, or concealment of a material fact in applying for or assisting in securing a license or license renewal or in taking an examination required for licensure;

(4) signing or issuing, in the licensee's professional capacity, a document or statement that the licensee knows or reasonably ought to know contains a false or misleading statement;

(5) a misleading, deceptive, false, or fraudulent advertisement or other representation in the conduct of the profession or occupation;

(6) offering, giving, or promising anything of value or benefit to a federal, state, or local government employee or official for the purpose of influencing the employee or official to circumvent a federal, state, or local law, rule, or ordinance governing the licensee's profession or occupation;

(7) denial, suspension, revocation, probation, fine, or other license restriction or discipline against a licensee by a state, province, territory, or Indian tribal government or the federal government if the action is not on appeal, under judicial review, or has been satisfied.

(8) failure to comply with a term, condition, or limitation of a license by final order of a board;

(9) revealing confidential information obtained as the result of a professional relationship without the prior consent of the recipient of services, except as authorized or required by law;

(10) addiction to or dependency on a habit-forming drug or controlled substance as defined in Title 50, chapter 32, as a result of illegal use of the drug or controlled substance;

(11) use of a habit-forming drug or controlled substance as defined in Title 50, chapter 32, to the extent that the use impairs the user physically or mentally;

(12) having a physical or mental disability that renders the licensee or license applicant unable to practice the profession or occupation with reasonable skill and safety;

(13) engaging in conduct in the course of one's practice while suffering from a contagious or infectious disease involving serious risk to public health or without taking

adequate precautions, including but not limited to informed consent, protective gear, or cessation of practice;

(14) misappropriating property or funds from a client or workplace or failing to comply with a board rule regarding the accounting and distribution of a client's property or funds;

(15) interference with an investigation or disciplinary proceeding by willful misrepresentation of facts, by the use of threats or harassment against or inducement to a client or witness to prevent them from providing evidence in a disciplinary proceeding or other legal action, or by use of threats or harassment against or inducement to a person to prevent or attempt to prevent a disciplinary proceeding or other legal action from being filed, prosecuted, or completed;

(16) assisting in the unlicensed practice of a profession or occupation or allowing another person or organization to practice or offer to practice by use of the licensee's license;

(17) failing to report the institution of or final action on a malpractice action, including a final decision on appeal, against the licensee or of an action against the licensee by a:

(a) peer review committee;

(b) professional association; or

(c) local, state, federal, territorial, provincial, or Indian tribal government;

(18) conduct that does not meet the generally accepted standards of practice. A certified copy of a malpractice judgment against the licensee or license applicant or of a tort judgment in an action involving an act or omission occurring during the scope and course of the practice is conclusive evidence of but is not needed to prove conduct that does not meet generally accepted standards.

**History: En. Sec. 16, Ch. 429, L. 1995.**

**37-1-317. Practice without license -- investigation of complaint -- injunction -- penalties.** (1) The department shall investigate complaints or other information received concerning practice by an unlicensed person of a profession or occupation for which a license is required by this title.

(2) (a) Unless otherwise provided by statute, a board may file an action to enjoin a person from practicing, without a license, a profession or occupation for which a license is required by this title. In addition to the penalty provided for in 37-1-318, a person violating an injunction issued pursuant to this section may be held in contempt of court.

(b) A person subject to an injunction for practicing without a license may also be subject to criminal prosecution. In a complaint for an injunction or in an affidavit, information, or indictment alleging that a person has engaged in unlicensed practice, it is sufficient to charge that the person engaged in the unlicensed practice of a licensed profession or occupation on a certain day in a certain county without averring further or more particular facts concerning the violation.

(3) Unless otherwise provided by statute, a person practicing a licensed profession or occupation in this state without complying with the licensing provisions of this title is guilty of a misdemeanor punishable by a fine of not less than \$250 or more than \$1,000, imprisonment in the county jail for not less than 90 days or more than 1 year, or both. Each violation of the provisions of this chapter constitutes a separate offense.

(4) The department may issue a citation to and collect a fine, as provided in 37-68-316 and 37-69-310, from a person at a job site who is performing plumbing or electrical work and who fails to display a license or proof of licensure at the request of an employee of the department who bears responsibility for compliance with licensure requirements.

**History:** En. Sec. 17, Ch. 429, L. 1995; amd. Sec. 3, Ch. 230, L. 1999; amd. Sec. 1, Ch. 402, L. 1999.

**37-1-318. Violation of injunction -- penalty.** A person who violates an injunction issued under 37-1-317 shall pay a civil penalty, as determined by the court, of not more than \$5,000. Fifty percent of the penalty must be deposited in the general fund of the county in which the injunction is issued, and 50% must be deposited in the state general fund.

**History:** En. Sec. 18, Ch. 429, L. 1995.

**37-1-319. Rules.** A board may adopt rules:

(1) under the guidelines of 37-1-306, regarding continuing education and establishing the number of hours required each year, the methods of obtaining education, education topics, and carrying over hours to subsequent years;

(2) regarding practice limitations for temporary practice permits issued under 37-1-305 and designed to ensure adequate supervision of the practice until all qualifications for licensure are met and a license is granted;

(3) regarding qualifications for inactive license status that may require compliance with stated continuing education requirements and may limit the number of years a person may remain on inactive status without having to reestablish qualifications for licensure;

(4) regarding maintenance and safeguarding of client funds or property possessed by a licensee and requiring the funds or property to be maintained separately from the licensee's funds and property; and

(5) defining acts of unprofessional conduct, in addition to those contained in 37-1-316, that constitute a threat to public health, safety, or welfare and that are inappropriate to the practice of the profession or occupation.

**History:** En. Sec. 19, Ch. 429, L. 1995.

Adoption and publication of rules, Title 2, ch. 4, part 3.

**37-1-320. Mental intent -- unprofessional conduct.** A licensee may be found to have violated a provision of 37-1-316 or a rule of professional conduct enacted by a governing board without proof that the licensee acted purposefully, knowingly, or negligently.

**History:** En. Sec. 7, Ch. 492, L. 2001.

**37-1-321 through 37-1-330 reserved.**

**37-1-331. Correctional health care review team.** (1) There is a correctional health care review team process in the department. The purpose of a review team is to review complaints filed by an inmate against a licensed or certified provider of health care or rehabilitative services for services that were provided to the person while the person was detained or confined in a county detention center or incarcerated under legal custody of the department of corrections. The inmate may file a complaint directly with the correctional health care review team for review or, if a board receives a complaint that has not been reviewed, the board shall forward the complaint to the review team. If the review team has reason to believe

that there has been a violation of this part arising out of health care or rehabilitative services provided to a person detained or confined in a county detention center, the review team shall report the possible violation to the department for appropriate action under 37-1-308.

(2) Each health care licensing board shall solicit and submit to the department a list of licensed or certified health care or rehabilitative service professionals who have correctional health care experience and who are interested in participating on a team. A current board member may not participate on a review team. The department shall solicit from the administrators of the county detention centers and from the department of corrections names of licensed or certified health care or rehabilitative service providers who have correctional health care or rehabilitative services experience and are interested in participating on a review team. Each member of a review team must have at least 2 years of experience in providing health care or rehabilitative services in a correctional facility or program.

(3) Each correctional health care review team is composed of three members who shall represent health care and rehabilitative service providers who have provided health care or rehabilitative services to incarcerated persons. Two members of the review team must be providers of the same discipline and scope of practice as the provider against whom a complaint was filed, and the third member may be a provider of any other health care or rehabilitative services discipline. The members must be willing to serve without compensation. If available, a correctional health care professional employed by the department of corrections and appointed by the director of the department of corrections may participate on the review team, except when the provider against whom the complaint was filed was employed by the department of corrections.

(4) The members of a review team are appointed by the department from the listing of health care and rehabilitative service providers with correctional experience who have been submitted by each respective board, a county detention center administrator, or the department of corrections as provided in subsection (2). A review team shall meet at least twice a year. Any travel, lodging, meal, or miscellaneous costs incurred by a review team may be recovered through a memorandum of understanding with the agencies who provide medical services to inmates or may be assessed to the licensing or certifying boards of health care and rehabilitative service providers.

(5) The review team shall review each complaint with regard to the health care or rehabilitative services provider's scope of practice. A decision on whether or not to forward the complaint must be made by the majority of the review team. ## **Part 4**

### **Uniform Regulations for Licensing Programs Without Boards**

**37-1-401. Uniform regulation for licensing programs without boards -- definitions.**  
As used in this part, the following definitions apply:

(1) "Complaint" means a written allegation filed with the department that, if true, warrants an injunction, disciplinary action against a licensee, or denial of an application submitted by a license applicant.

(2) "Department" means the department of labor and industry provided for in 2-15-1701.

(3) "Investigation" means the inquiry, analysis, audit, or other pursuit of information by the department, with respect to a complaint or other information before the department, that is carried out for the purpose of determining:

(a) whether a person has violated a provision of law justifying discipline against the person;

(b) the status of compliance with a stipulation or order of the department;

(c) whether a license should be granted, denied, or conditionally issued; or

(d) whether the department should seek an injunction.

(4) "License" means permission in the form of a license, permit, endorsement, certificate, recognition, or registration granted by the state of Montana to engage in a business activity or practice at a specific level in a profession or occupation governed by:

(a) Title 37, chapter 35, 72, or 76; or

(b) Title 50, chapter 39, 74, or 76.

(5) "Profession" or "occupation" means a profession or occupation regulated by the department under the provisions of:

(a) Title 37, chapter 35, 72, or 76; or

(b) Title 50, chapter 39, 74, or 76.

**History:** En. Sec. 1, Ch. 481, L. 1997; amd. Sec. 111, Ch. 483, L. 2001; amd. Sec. 21, Ch. 410, L. 2003.

**37-1-402. Unprofessional conduct -- complaint -- investigation -- immunity.** (1) A person, government, or private entity may submit a written complaint to the department charging a licensee or license applicant with a violation of this part and specifying the grounds for the complaint.

(2) If the department receives a written complaint or otherwise obtains information that a licensee or license applicant may have violated a requirement of this part, the department may investigate to determine whether there is reasonable cause to believe that the licensee or license applicant has committed the violation.

(3) A person or private entity, but not a government entity, filing a complaint under this section in good faith is immune from suit in a civil action related to the filing or contents of the complaint.

**History:** En. Sec. 2, Ch. 481, L. 1997.

**37-1-403. Notice -- request for hearing.** (1) If the department determines that reasonable cause exists supporting the allegation made in a complaint, the department legal staff shall prepare a notice and serve the alleged violator. The notice may be served by certified mail to the current address on file with the department or by other means authorized by the Montana Rules of Civil Procedure.

(2) A licensee or license applicant shall give the department the licensee's or applicant's current address and any change of address within 30 days of the change.

(3) The notice must state that the licensee or license applicant may request a hearing to contest the charge or charges. A request for a hearing must be in writing and must be received in the offices of the department within 20 days after the licensee's receipt of the notice. Failure

to request a hearing constitutes a default on the charge or charges, and the department may enter a decision on the basis of the facts available to it.

**History:** En. Sec. 3, Ch. 481, L. 1997.

**37-1-404. Hearing -- adjudicative procedures.** The procedures in Title 2, chapter 4, governing adjudicative proceedings before agencies, the Montana Rules of Civil Procedure, and the Montana Rules of Evidence govern a hearing under this part. The department has all the powers and duties granted by Title 2, chapter 4.

**History:** En. Sec. 4, Ch. 481, L. 1997.

**37-1-405. Findings of fact -- order -- report.** (1) If the department finds by a preponderance of the evidence, following a hearing or on default, that a violation of this part has occurred, the department shall prepare and serve findings of fact, conclusions of law, and an order as provided in Title 2, chapter 4. If the licensee or license applicant is found not to have violated this part, the department shall prepare and serve an order of dismissal of the charges.

(2) The department may report the issuance of a notice and final order to:

(a) the person or entity who brought to the department's attention information that resulted in the initiation of the proceeding;

(b) appropriate public and private organizations that serve the profession or occupation; and

(c) the public.

**History:** En. Sec. 5, Ch. 481, L. 1997.

**37-1-406. Sanctions -- stay -- costs -- stipulations.** (1) Upon a decision that a licensee or license applicant has violated this part or is unable to practice with reasonable skill and safety due to a physical or mental condition or upon stipulation of the parties as provided in subsection (4), the department may issue an order providing for one or any combination of the following sanctions:

(a) revocation of the license;

(b) suspension of the license for a fixed or indefinite term;

(c) restriction or limitation of the practice;

(d) satisfactory completion of a specific program of remedial education or treatment;

(e) monitoring of the practice by a supervisor approved by the disciplining authority;

(f) censure or reprimand, either public or private;

(g) compliance with conditions of probation for a designated period of time;

(h) payment of a fine not to exceed \$1,000 for each violation;

(i) denial of a license application;

(j) refund of costs and fees billed to and collected from a consumer.

(2) Any fine collected by the department as a result of disciplinary actions must be deposited in the state general fund.

(3) A sanction may be totally or partly stayed by the department. To determine which sanctions are appropriate, the department shall first consider the sanctions that are necessary to protect or compensate the public. Only after the determination has been made may the department consider and include in the order any requirements designed to rehabilitate the licensee or license applicant.

(4) The licensee or license applicant may enter into a stipulated agreement resolving potential or pending charges that includes one or more of the sanctions in this section. The stipulation is an informal disposition for the purposes of 2-4-603.

(5) A licensee shall surrender a suspended or revoked license to the department within 24 hours after receiving notification of the suspension or revocation by mailing the license or delivering it personally to the department.

**History: En. Sec. 6, Ch. 481, L. 1997.**

**37-1-407. Appeal.** A person who is disciplined or denied a license may appeal the decision to the district court as provided in Title 2, chapter 4.

**History: En. Sec. 7, Ch. 481, L. 1997.**

**37-1-408. Reinstatement.** A licensee whose license has been suspended or revoked under this part may petition the department for reinstatement after an interval set by the department in the order. The department may hold a hearing on the petition and may deny the petition or order reinstatement and impose terms and conditions as provided in 37-1-312. The department may require the successful completion of an examination as a condition of reinstatement and may treat a licensee whose license has been revoked or suspended as a new applicant for purposes of establishing the requisite qualifications of licensure.

**History: En. Sec. 8, Ch. 481, L. 1997.**

**37-1-409. Enforcement of fine.** (1) If payment of a fine is included in an order and timely payment is not made as directed in the order, the department may enforce the order for payment in the district court of the first judicial district.

(2) In a proceeding for enforcement of an order of payment of a fine, the order is conclusive proof of the validity of the order of payment and the terms of payment.

**History: En. Sec. 9, Ch. 481, L. 1997.**

**37-1-410. Unprofessional conduct.** The following is unprofessional conduct for a licensee or license applicant governed by this chapter:

(1) being convicted, including a conviction following a plea of nolo contendere and regardless of a pending appeal, of a crime relating to or committed during the course of practicing the person's profession or occupation or involving violence, the use or sale of drugs, fraud, deceit, or theft;

(2) permitting, aiding, abetting, or conspiring with a person to violate or circumvent a law relating to licensure or certification;

(3) fraud, misrepresentation, deception, or concealment of a material fact in applying for or assisting in securing a license or license renewal or in taking an examination required for licensure;

(4) signing or issuing, in the licensee's professional capacity, a document or statement that the licensee knows or reasonably ought to know contains a false or misleading statement;

(5) making a misleading, deceptive, false, or fraudulent advertisement or other representation in the conduct of the profession or occupation;

(6) offering, giving, or promising anything of value or benefit to a federal, state, or local government employee or official for the purpose of influencing the employee or official to

circumvent a federal, state, or local law, rule, or ordinance governing the licensee's profession or occupation;

(7) the denial, suspension, revocation, probation, fine, or other license restriction or discipline against a licensee by a state, province, territory, or Indian tribal government or the federal government if the action is not on appeal or under judicial review or has been satisfied.

(8) failure to comply with a term, condition, or limitation of a license by final order of the department;

(9) having a physical or mental disability that renders the licensee or license applicant unable to practice the profession or occupation with reasonable skill and safety;

(10) misappropriating property or funds from a client or workplace or failing to comply with the department's rule regarding the accounting and distribution of a client's property or funds;

(11) interference with an investigation or disciplinary proceeding by willful misrepresentation of facts, failure to respond to department inquiries regarding a complaint against the licensee or license applicant, or the use of threats or harassment against or inducement to a client or witness to prevent them from providing evidence in a disciplinary proceeding or other legal action or use of threats or harassment against or inducement to a person to prevent or attempt to prevent a disciplinary proceeding or other legal action from being filed, prosecuted, or completed;

(12) assisting in the unlicensed practice of a profession or occupation or allowing another person or organization to practice or offer to practice the profession or occupation by use of the licensee's license.

**History: En. Sec. 10, Ch. 481, L. 1997.**

**37-1-411. Practice without license -- investigation of complaint -- injunction -- penalties.** (1) The department may investigate a complaint or other information received concerning practice by an unlicensed person of a profession or occupation governed by this part.

(2) The department may file an action to enjoin a person from practicing, without a license, a profession or occupation governed by this part.

**History: En. Sec. 11, Ch. 481, L. 1997; amd. Sec. 5, Ch. 230, L. 1999.**

**37-1-412. Violation of injunction -- penalty.** (1) A person who has been enjoined and who violates an injunction issued pursuant to a proceeding under this part may be held in contempt of court and shall pay a civil penalty, as determined by the court, of not more than \$5,000. Fifty percent of the penalty must be deposited in the general fund of the county in which the injunction is issued, and 50% must be deposited in the state general fund.

(2) A person subject to an injunction for practicing without a license may also be subject to criminal prosecution. In a complaint for an injunction or in an affidavit, information, or indictment alleging that a person has engaged in unlicensed practice, it is sufficient to charge that the person engaged in the unlicensed practice of a licensed profession or occupation on a certain day in a certain county without averring further or more particular facts concerning the violation.

(3) Unless otherwise provided by statute, a person practicing a licensed profession or occupation in this state without complying with the licensing provisions of this title is guilty of a misdemeanor punishable by a fine of not less than \$250 or more than \$1,000, imprisonment in

the county jail for not less than 90 days or more than 1 year, or both. Each violation of the provisions of this chapter constitutes a separate offense.

**History:** En. Sec. 12, Ch. 481, L. 1997; amd. Sec. 6, Ch. 230, L. 1999.

**37-1-413. Department authority.** For each licensing program regulated by the department under this part, the department is designated as a criminal justice agency within the meaning of 44-5-103 for the purpose of obtaining confidential criminal justice information regarding licensees and license applicants and regarding possible unlicensed practice.

**History:** En. Sec. 4, Ch. 230, L. 1999.
